My Life, My Future

I want to be a wildlife officer,

I love the outdoors.

My father is a police officer,

I'm out killing boars.

My father and I love to fish,

So my mother can serve us a dish.

I really love hunting deer,

Wearing and using my hunting gear.

I love the nature,

So I want to be a wildlife ranger,

To prevent anyone in danger,

To those who enjoy taking an adventure.

I want others to enjoy the outdoor life,

So some day they can work with the wildlife.

If you want this job you're going to have to go through training,

This 8 month training may leave you hanging.
